

Historic Cemetery Restoration Hands-On Workshop

Please join JCAM's Executive Director, Jamie Cotel and Lisa Berenson, Director of Educational Programming as we learn:

- Techniques to make aged and worn monuments look refreshed.
- To “Halachically” re-set small monuments.
- Participate in a hands-on instruction.
- Document, photograph and help translate historic monuments.
- An overview of the history of Jewish cemeteries, customs and burial traditions.

The Hebrew Charitable Burial Ground located in Malden is the 2nd oldest Jewish cemetery in Massachusetts (1851). There are 1400 people buried at this cemetery, 1200 are children under the age of 20 in unmarked graves. Please come and learn about the significance of this historic Jewish site and how you can help in its restoration.

We will supply:

- Gloves
- Trowels
- Non-toxic, environmentally friendly cleaning solution

What you will need to bring/wear:

- Work Boots or Sneakers
- Hat
- Sunblock
- Bug spray

A nosh of bagels/cream cheese, coffee plus, will be available for registered participants!

The JCAM Charitable Foundation is 501c3 non-profit communal organization that supports the mission of the Jewish Cemetery Association of Massachusetts in providing for the maintenance, restoration and continuity of Jewish cemeteries in Massachusetts.

Preserving Jewish cemeteries safeguards that our heritage is not lost. It is a sacred responsibility to make sure we continue our legacy established by those who came before us. It is our promise to make sure no Jewish person is forgotten. This has been JCAM's mission of preservation, restoration and continuity since 1984.
